Narrow debut loss for BRGS

Table Tennis

A THRILLING final ended in narrow defeat for Bacup and Rawtenstall Grammar School in a top table tennis tournament.

The BRGS team produced some sterling performances on their debut in the Inter School table tennis competition to qualify for the final.

But they were ultimately denied by a strong side from Bowland High School.

The competition attracted an entry of 26 teams from eight schools across East Lancashire.

And BRGS were represented by Nick Hallsworth, Douglas Argyle and Sam Foster, who all play in the East Lancashire Table Tennis League.

And the outcome of the final was not decided until the last set when BRGS captain Nick Hallsworth was narrowly pipped by Louise Proctor.
